

This document describes how to register for a temporary Progress Rollbase evaluation account. To register:

1. Navigate to progress.rollbase.com.
2. Click the **Try Now** link.
3. Click the **Rollbase 30 Free Trial** link.

4. Specify your contact and company information in the form and click **Submit**. In a moment, Progress will send you a temporary password and a link to the Rollbase Logon page.
5. When you get the email from Progress, click on the link to the Rollbase Logon page.
6. On the Progress Logon page, change your temporary password.
7. Use your updated password to log onto Rollbase.

You are now ready to begin creating applications in Rollbase.
