You may access our maintenance and support policies by clicking on the applicable Product family link located at <https://www.progress.com/support>.

1.8.2. **Maintenance and Support for Perpetual or Term License Types.** For Perpetual and Term License Types, unless otherwise expressly stated by us in the Order, first year annual maintenance and support (if offered by us) is required for the Product and starts on the date the Product is delivered. Thereafter, you may choose to purchase annual maintenance and support (if offered by us). If you do not purchase renewal maintenance and support services for a Product, then you will not receive any maintenance and support services for that Product and will have no entitlement to any benefits of maintenance and support services including, bug fixes, patches, upgrades, enhancements, new releases or technical support. If you want to reinstate lapsed maintenance and support services on a Product, and we offer reinstatement to our customers, then you may re-instate maintenance and support services by paying the then-current fee, plus a reinstatement fee for the lapsed maintenance and support period in accordance with our maintenance and support reinstatement policies then in effect.

1.8.3. **Maintenance and Support for Subscription License Type.** If the license type for the Product licensed to you is the subscription license type, then maintenance and support (if offered by us) is included in the subscription fees for each subscription period. We may offer optional enhanced maintenance and/or support offerings for an additional fee.

1.9. Fees and Taxes.

1.9.1. **Payment Terms and Taxes.** All fees payable to us are payable in the currency specified in the Order, or if no currency is specified, in United States Dollars, are due within 30 days from the invoice date and, except as otherwise expressly specified herein, are non-cancellable and non-refundable. We may charge you interest at a rate of 1.5% per month (or the highest rate permitted by law, if less) on all overdue payments. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that we must pay on such fees, except those based on our income. Invoices may be issued by our Affiliate. If you and we agree that you will pay by credit card, you will provide us with valid and updated credit card information and you authorize us to store such information and bill such credit card for all fees applicable: (a) at the time that you order the Product and (b) at the time of any renewal or upgrade.

1.10. Warranties.

1.10.1. **Authority.** Each party represents and warrants that it has the legal power and authority to enter into this EULA.

1.10.2. **Product Compliance with Documentation.** We warrant to you that, for six (6) months from delivery (in the case of an On-Premise Product) or for the duration of the license (in the case of a Hosted Service), the Product will comply with the applicable Documentation in all material respects. Your exclusive remedy, and our sole liability, with respect to any breach of this warranty will be for us to use commercially reasonable efforts to promptly correct the non-compliance (provided that you notify us in writing within the warranty period and allow us a reasonable cure period). If we, at our discretion, reasonably determine that correction is not economically or technically feasible, we may terminate your license to the Product and provide you a full refund of the fees paid to us with respect to the Product (in the case of an On-Premise Product) or a refund of the prepaid fees for the unused portion of the license period (in the case of a Hosted

Service). Delivery of additional copies of, or Updates to, an On-Premise Product will not restart or otherwise affect the warranty period.

1.10.3. **Warranty Exclusions.** The warranty specified in section 1.10.2 (Product Compliance with Documentation) does not cover Technical Preview Items, any Product provided on an unpaid evaluation or trial basis, or defects to the Product due to accident, abuse, service, alteration, modification or improper installation or configuration by you, your Affiliates, your or their personnel or any third party not engaged by us.

1.10.4. **Warranty Disclaimers.** EXCEPT FOR THE WARRANTIES EXPRESSLY STATED IN THIS SECTION 1.10 OR THE ADDITIONAL WARRANTIES (IF ANY) EXPRESSLY STATED IN SECTION 3 (PRODUCT FAMILY SPECIFIC TERMS) OR SECTION 4 (PRODUCT SPECIFIC TERMS), THE PRODUCT, DOCUMENTATION AND OUR TECHNOLOGY ARE PROVIDED “AS IS”, WITH ALL FAULTS, AND WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NONINFRINGEMENT, AVAILABILITY, ERROR-FREE OR UNINTERRUPTED OPERATION, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. TO THE EXTENT THAT WE MAY NOT AS A MATTER OF APPLICABLE LAW DISCLAIM ANY IMPLIED WARRANTY, THE SCOPE AND DURATION OF SUCH WARRANTY WILL BE THE MINIMUM PERMITTED UNDER APPLICABLE LAW.

1.11. Indemnification.

1.11.1. Our Indemnification Obligation.

1.11.1.1. **Intellectual Property Infringement.** We will defend you, and your officers, directors, employees, and agents from and against any and all third party claims, lawsuits, and proceedings alleging that your use of the Product, in accordance with the terms and conditions of this EULA, constitutes a direct infringement or misappropriation of such third party’s patent, copyright or trade secret rights (the “IP Claim”), and we will indemnify you for damages finally awarded against you by a court of competent jurisdiction with respect to the IP Claim.

1.11.1.2. **Exceptions.** We will not indemnify you to the extent that the alleged infringement or misappropriation results from (a) use of the Product in combination with any other software or item not supplied by us; (b) failure to promptly implement an Update provided by us pursuant to 1.11.1.3 (Our Options); (c) modification of the Product not made or provided by us; or (d) use of the Product in a manner not permitted by this EULA. We also will not indemnify you if we notify you of our decision to terminate this EULA, and the license to the Product granted hereunder, in accordance with section 1.11.1.3 (Our Options) and you have not ceased all use of the Product within thirty (30) days of such notification.

1.11.1.3. **Our Options.** If a final injunction is, or we reasonably believe that it could be, obtained against your use of the Product, or if in our opinion the Product is likely to become the subject of a successful claim of infringement, we may, at our option and expense, (a) replace or modify the Product so that it becomes non-infringing (provided that the functionality is substantially equivalent), (b) obtain for you a license to continue to use the Product, or (c) if neither (a) nor (b) are reasonably practicable, terminate this EULA on thirty (30) days’ notice and, if the Product was licensed to you on a Perpetual License or Term License basis, refund to you the license fee paid to us for the Product less an amount for depreciation determined on a straight-line five year (or actual term if shorter) depreciation basis with a commencement date as of the date of delivery of the Product, or if the Product was licensed to you on a Subscription License basis, refund to you the unused portion of the fees paid in advance to us for the then-current subscription period for the Product. THE INDEMNIFICATION PROVISIONS SET OUT IN THIS SECTION 1.11.1 STATE OUR ENTIRE LIABILITY AND YOUR SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY INFRINGEMENT OR ALLEGED INFRINGEMENT BY US OF ANY INTELLECTUAL PROPERTY RIGHTS OR PROPRIETARY RIGHTS IN RESPECT OF THE PRODUCT OR ITS USE.

1.11.2. Your Indemnification Obligation.

1.11.2.1. **Indemnification for Third Party-Claims.** To the extent permitted by applicable law, you will defend us and our Affiliates, and our and their respective officers, directors, employees, and agents from and against any and all third party claims, lawsuits, and proceedings that arise or result from (a) your breach of this EULA, (b) your use, distribution and/or licensing of the Redistributables, if applicable, except to the extent it arises from an IP Claim covered under section 1.11.1 above, or (c) your failure or alleged failure to comply with Applicable Laws or any violation of a third party’s rights in connection with your use of the Product (each a “Third-Party Claim” and collectively “Third-Party Claims”) and you will indemnify for damages finally awarded by a court of competent jurisdiction with respect to any Third-Party Claim.

1.11.3. **Control of the Defense or Settlement.** For any indemnification obligation covered in section 1.11.1, “Indemnifying Party” means us, “Indemnified Party” means you, and “Claim” means an IP Claim. For any indemnification obligation covered in section 1.11.2, “Indemnifying Party” means you, “Indemnified Party” means us, and “Claim” means a Third-Party Claim. The Indemnified Party must provide the Indemnifying Party with prompt written notice of a Claim;

however, the Indemnified Party's failure to provide or delay in providing such notice will not relieve the Indemnifying Party of its obligations under this section except to the extent the Indemnifying Party is prejudiced by the Indemnified Party's failure or delay. The Indemnified Party will give the Indemnifying Party full control of the defense and settlement of the Claim as long as such settlement does not include a financial obligation on or admission of liability by the Indemnified Party. If the Indemnified Party does not do so, then the Indemnified Party waives the Indemnifying Party's indemnification obligations under section 1.11.1 or 1.11.2, as applicable. The Indemnified Party will reasonably cooperate in the defense of the Claim and may appear, at its own expense, through counsel reasonably acceptable to the Indemnifying Party.

1.12. Confidentiality.

1.12.1. Confidentiality Obligations. Except as otherwise provided herein, each party agrees to retain in confidence all Confidential Information transmitted or disclosed to the other party, and agrees to make no use of the other party's Confidential Information except under the terms of this EULA. However, neither party will have an obligation to maintain the confidentiality of information that (a) it received rightfully from a third party without an obligation to maintain such information in confidence; (b) was known to the receiving party prior to its disclosure by the disclosing party; (c) is or becomes a matter of public knowledge through no fault of the receiving party; or (d) is independently developed by the receiving party without use of the Confidential Information of the disclosing party. Further, either party may disclose Confidential Information of the other party as required by governmental or judicial order, provided such party gives the other party prompt written notice prior to such disclosure (unless such prior notice is not permitted by applicable law) and complies with any protective order (or equivalent) imposed on such disclosure. You will treat any source code for the Product as our Confidential Information and will not disclose, disseminate or distribute such materials to any third party without our prior written permission. Each party's obligations under this section 1.12 will apply during the term of this EULA and for five (5) years following termination of this EULA, provided, however, that (i) obligations with respect to source code will survive forever and (ii) trade secrets will be maintained as such until they fall into the public domain.

1.12.2. Product Benchmark Results. You acknowledge that any benchmark results pertaining to the Product are our Confidential Information and may not be disclosed or published without our prior written consent. This provision applies regardless of whether the benchmark tests are conducted by you or us.

1.12.3. Remedies for Breach of Confidentiality Obligations. Each party acknowledges that in the event of a breach or threat of breach of this section 1.12, money damages will not be adequate. Therefore, in addition to any other legal or equitable remedies, the non-breaching party will be entitled to seek injunctive or similar equitable relief against such breach or threat of breach without proof of actual injury and without posting of a bond.

1.13. Data Collection and Personal Data.

1.13.1. Data Collection through use of the Product. THE PRODUCT MAY INCLUDE FEATURE(S) THAT (A) GATHER PRODUCT ACTIVATION, USAGE AND/OR ENVIRONMENT INFORMATION, (B) IDENTIFY TRENDS AND/OR BUGS, (C) COLLECT USAGE STATISTICS, AND/OR (D) TRACK OTHER DATA RELATED TO YOUR USE OF THE PRODUCT, AS FURTHER DESCRIBED IN THE CURRENT VERSION OF OUR PRIVACY POLICY AVAILABLE AT <https://www.progress.com/legal/privacy-policy>. 1.13.2. Additional Data Collection Terms. Depending on the Product licensed to you, this EULA may contain additional data collection terms in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms) and/or, if we are hosting the Product, in section 2.B (Terms for Hosted Services).

1.13.3. Your Personal Data. If you determine that you will be supplying us with your Personal Data (as defined in the Data Processing Addendum referenced below) for us to process on your behalf, in the provision of maintenance and support services or hosting services (if the Product licensed to you is a Hosted Service) or during the course of any audits we conduct pursuant to section 1.15 (Audit), you may submit a written request at privacy@progress.com for the mutual execution of a Data Processing Addendum substantially in the form we make available at <https://www.progress.com/docs/default-source/progress-software/data-processing-addendum.pdf> and we will enter into such Data Processing Addendum with you. To the extent there is any conflict between this EULA and such Data Processing Addendum, the Data Processing Addendum will prevail with respect to our handling and processing of your Personal Data.

1.14. Limitation of Liability and Disclaimer of Certain Types of Damages.

1.14.1. Limitation of Liability. EXCEPT FOR YOUR PAYMENT OBLIGATIONS, A PARTY'S INDEMNIFICATION OBLIGATIONS SET OUT IN THIS EULA OR A PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS PURSUANT TO SECTION 1.12 (CONFIDENTIALITY), OR YOUR MATERIAL VIOLATION OF OUR INTELLECTUAL PROPERTY RIGHTS OR OF THE LICENSE RESTRICTIONS SET OUT IN THIS EULA, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL EITHER PARTY'S LIABILITY FOR ALL COSTS, DAMAGES, AND EXPENSES ARISING OUT OF OR RELATED TO THIS EULA WHETHER BASED UPON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE AT LAW EXCEED, IN THE AGGREGATE, THE FEES PAID TO US FOR THE PRODUCT AND/OR SERVICE THAT IS THE SUBJECT OF THE CLAIM, PROVIDED, HOWEVER, THAT IF THE FEES PAID FOR SUCH PRODUCT AND/OR SERVICE ARE PAID ON A RECURRING BASIS, THEN THE NOT TO EXCEED LIMIT WILL BE THE FEES PAID TO US FOR THE PRODUCT AND/OR SERVICE DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. OUR AFFILIATES AND LICENSORS, AND THE SUPPLIERS TO US, OUR AFFILIATES OR LICENSORS, WILL, TO THE EXTENT PERMITTED BY APPLICABLE LAW, HAVE NO LIABILITY TO YOU OR TO ANY OTHER PERSON OR ENTITY FOR DAMAGES, DIRECT OR OTHERWISE, ARISING OUT OF THIS EULA, INCLUDING, WITHOUT LIMITATION, DAMAGES IN CONNECTION WITH THE PERFORMANCE OR OPERATION OF OUR PRODUCTS OR OUR PERFORMANCE OF SERVICES.

1.14.2. Disclaimer of Certain Types of Damages. EXCEPT FOR YOUR PAYMENT OBLIGATIONS, A PARTY'S INDEMNIFICATION OBLIGATIONS SET OUT IN THIS EULA OR YOUR MATERIAL VIOLATION OF OUR INTELLECTUAL PROPERTY RIGHTS OR THE LICENSE RESTRICTIONS SET OUT IN THIS EULA, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL EITHER PARTY, ITS AFFILIATES OR ITS LICENSORS OR THEIR RESPECTIVE SUPPLIERS BE LIABLE FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE OR TORT DAMAGES ARISING IN CONNECTION WITH THIS EULA OR EITHER PARTY'S PERFORMANCE UNDER THIS EULA OR THE PERFORMANCE OF OUR PRODUCTS, OR FOR ANY DAMAGES RESULTING FROM LOSS OF USE, LOSS OF OPPORTUNITY, LOSS OF DATA, LOSS OF REVENUE, LOSS OF PROFITS, OR LOSS OF BUSINESS, EVEN IF THE PARTY, ITS AFFILIATES, ITS LICENSORS, OR ANY OF THEIR RESPECTIVE SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.

1.15. Audit. We may install and use automated license tracking, management and/or enforcement solutions with the Product, which you may not disrupt or alter. You will maintain records in connection with this EULA and the use of the Product and any Updates and/or services provided hereunder. Such records will include at a minimum the number of licenses purchased and being used by you. At our expense and with reasonable written notice to you, we or a third party appointed by us may audit the records, and if necessary and as applicable, the systems on which the Product or any Update is installed for the sole purpose of ensuring compliance with the terms of this EULA. We will have the right to conduct audits as necessary. These audits may be conducted on site at a location where you have installed the Product, remotely from our offices, or a combination of both, if applicable to the Product. On-site audits will be conducted during regular business hours, and neither on-site nor remote audits will interfere unreasonably with your business operations. You agree to share with us copies of all records referenced herein, as well as Product log files and other information reasonably requested by us promptly following such request, but in no event more than five (5) business days following receipt of our written request (or such longer period, if applicable, that we specify in the written request). We will treat all such information obtained or accessed by us during the audit as Confidential Information pursuant to section 1.12 (Confidentiality) for use by us only as necessary to ensure compliance with and enforcement of the terms of this EULA. If any audit reveals that you have underpaid license, maintenance and support or subscription fees, you will be invoiced for all such underpaid fees based on our list price in effect at the time the audit is completed. If the underpaid fees exceed five percent (5%) of the fees previously paid by you, then you will also pay our reasonable costs of conducting the audit and enforcement of this EULA.

1.16. Termination.

1.16.1. Termination for Breach. We may terminate this EULA by written notice at any time if you do not comply with any of your obligations under this EULA and fail to cure such failure to our satisfaction within thirty (30) days after such notice. This remedy will not be exclusive and will be in addition to any other remedies which we may have under this EULA or otherwise.

1.16.2. Effect of Termination. Upon expiration of your license term to the Product (if applicable) or earlier termination of this EULA, your license to access and/or use the Product and/or distribute the Redistributables (if applicable) will terminate. You must immediately cease use of the Product and destroy all copies of the Product in your possession (and require any Authorized Users to do the same). Any licenses you have granted to the Redistributables in accordance with the terms and conditions of this EULA will, unless otherwise specified in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms), survive termination of this EULA.

1.16.3. **Survival.** Any provisions of this EULA containing licensing restrictions, warranties and warranty disclaimers, confidentiality obligations, limitations of liability and/or indemnity terms, audits rights, and any term of this EULA which, by its nature, is intended to survive termination or expiration, will remain in effect following any termination or expiration if this EULA, as will your obligation to pay any fees accrued and owing to us as of termination or expiration.

Your Change of Control will constitute an assignment for purposes of the preceding sentence. A “**Change of Control**” will include, but not be limited to, any merger, consolidation, amalgamation, reorganization or sale, transfer or exchange of the capital stock or equity interests of you in a transaction or series of transactions which results in the holders of your capital stock or equity interests holding less than 50% of the outstanding capital stock or equity interests immediately following such transaction(s).

1.18. **Choice of Law.** This EULA is governed by the laws of the Commonwealth of Massachusetts, U.S.A., without regard to the conflict of laws principles thereof. If any dispute, controversy, or claim cannot be resolved by a good-faith discussion between the parties, then it will be submitted for resolution to a state or federal court in Boston, Massachusetts, USA, and the parties hereby irrevocably and unconditionally agree to submit to the exclusive jurisdiction and venue of such court. The Uniform Computer Information Transactions Act and the United Nations Convention on the International Sale of Goods will not apply to this EULA.

Either party may change its address for receipt of notices upon written notice to the other party.

1.19.2. **Entire Agreement.** This EULA, and any terms expressly incorporated herein by reference, will constitute the entire agreement between you and us with respect to the subject matter of this EULA and supersedes all prior and contemporaneous communications, oral or written, signed or unsigned, regarding such subject matter. Use of any purchase order or other document you supply in connection with this EULA will be for administrative convenience only and all terms and conditions stated therein will be void and of no effect. Except as otherwise expressly contemplated in this EULA, this EULA may not be modified or amended other than in writing signed by you and us.

1.19.3. **Severability.** If any provision of this EULA is terminated or held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remainder of this EULA will remain in full force and effect.

1.19.4. **Waiver.** Failure or delay in exercising any right, power, privilege or remedy hereunder will not constitute a waiver thereof. A waiver of default will not operate as a waiver of any other default or of the same type of default on future occasions.

You will be entirely responsible for each Content item provided by you or your Authorized Users through the Hosted Services, and, as between you and us, you retain ownership and any intellectual property rights in such Content. You will, at your own expense, obtain all third-party licenses, consents and/or permissions that may be necessary or appropriate with respect to such Content to enable each party to exercise its rights and perform its obligations under this EULA. You grant us a world-wide, royalty free, fully paid up, transferable, sublicensable license to use, copy, host, store, disseminate, distribute, publicly display, sublicense, post or publish such Content, but only to the extent necessary for us to provide the Hosted Services. You agree that we may use our third-party contractors and service providers to exercise the licenses granted to us in this section to perform the Hosted Services for or on our behalf. You agree that you will have no rights against such third-party contractors or service providers in connection with this EULA or your use of the Hosted Services hereunder. In addition, you acknowledge that to protect your transmission of Content to the Hosted Services, it is your responsibility to use a secure encrypted connection to communicate with and/or utilize the Hosted Services.

2.B.3.2. Your Warranties Regarding the Content. You represent and warrant that the Content does not and will not violate the AUP.

2.B.3.3. Our Disclaimer Regarding the Content. We do not endorse any Content or any opinion, recommendation, or advice expressed in any Content, and we expressly disclaim any liability in connection with any Content. ANY USE OF CONTENT PROVIDED BY OTHERS, INCLUDING OTHER CUSTOMERS, IS ENTIRELY AT YOUR OWN RISK. WE MAKE NO REPRESENTATIONS OR WARRANTIES ABOUT ANY CONTENT AVAILABLE ON OUR WEBSITE OR THROUGH THE HOSTED SERVICES, INCLUDING WITHOUT LIMITATION WITH RESPECT TO SUCH CONTENT'S QUALITY, ACCURACY, LEGALITY OR RELIABILITY.

2.B.4. Changes to the Hosted Services or EULA.

2.B.4.1. Changes to the Hosted Services. We reserve the right to add, modify or discontinue any product, feature or service made available through the Hosted Services. Any additions or modifications to the Hosted Services may be subject to additional terms and conditions which will be included in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms) of an updated version of this EULA implemented in accordance with the terms of section 2.B.4.2 (Changes to the EULA). We may, at our discretion, replace the Hosted Service with a successor service with equivalent or better functionality and/or rebrand the Hosted Service at any time during your subscription term, provided that any such successor service or re-branding will not result in any additional charges to you during your subscription term.

2.B.4.2. Changes to the EULA. We may modify this EULA at any time by posting a revised version on our website at <https://www.progress.com/legal>. Modified terms that relate to modifications or additions to the Hosted Services will be effective at the time such modifications or additions to the Hosted Services are made in accordance with section 2.B.4.1 (Changes to the Hosted Services). Modified terms that are required by law will be effective immediately.

All other modified terms will be effective at the commencement of your renewal subscription period occurring immediately following the posting of the revised version of this EULA. If we post any revisions to this EULA after the date on which you are required to notify us that you do not want to renew your subscription (pursuant to section 1.3.4 (Subscription License Type)) and you do not agree with the terms and conditions of the revised EULA, you may notify us that you do not want to renew your subscription at any time prior to the commencement of your renewal subscription period. It is your responsibility to check our website regularly for revisions to this EULA.

2.B.5. Data Backup and Limitations on Availability of Hosted Services.

2.B.5.1. Data Backup. We will follow our standard archival procedures for storage of Content. In the event of any loss or corruption of Content, we will use commercially reasonable efforts to restore the lost or corrupted Content from the latest backup of such Content maintained by us or our third-party service provider in accordance with its archival procedures. We will not be responsible for any loss, corruption, destruction, alteration, or unauthorized disclosure of or access to Content directly or indirectly arising from acts or omissions of you, your Authorized Users or a third party. OUR EFFORTS TO RESTORE LOST OR CORRUPTED CONTENT PURSUANT TO THIS SECTION 2.B.5.1 WILL CONSTITUTE OUR SOLE LIABILITY AND YOUR SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF ANY LOSS, CORRUPTION, DESTRUCTION, ALTERATION OR UNAUTHORIZED DISCLOSURE OF OR ACCESS TO CONTENT.

2.B.5.2. Limitations on Availability of Hosted Services. The Hosted Services may be inaccessible for reasons including maintenance updates, power outages, internet delays, system failures, extended downtime and other interruptions. During such periods, you and your Authorized Users may be unable to access or use all or a portion of the Hosted Services and some or all of the Content may be lost or corrupted (in which case, our sole obligation to you will be to exercise commercially reasonable efforts to restore the Content in accordance with section 2.B.5.1 (Data Backup)). Additionally, we may immediately suspend the Hosted Services if there is a reasonable threat to the technical security or technical integrity of the Hosted Services.

2.B.5.3. SLA for Hosted Services. We may offer Service Level Agreements (SLAs) for certain Hosted Services. If a Hosted Service has an SLA associated with it, the terms will be specified in section 3 (Product Family Terms) or section 4 (Product Specific Terms).

2.B.6. Use of Third Party Vendors; Transmission of Data. We may use third party vendors to provide the infrastructure, hardware, software, networking, storage, and related technology required to operate and provide the Hosted Services (“**Cloud Infrastructure Environment**”) and such third party vendors may be granted access to your Content while performing services for us in accordance with the terms set out in section 2.B.3.1 (Your Responsibility for the Content and License Grant to Us). You agree to abide by such third party vendors’ acceptable use policies which are provided or otherwise noticed to you, and you shall have no rights against any such third party vendors in connection with the Hosted Services.

2.B.7. Location of Cloud Infrastructure Environment and Personnel. Except as otherwise specified in section 3 (Product Family Specific Terms) or section 4 (Product Specific Terms), the Cloud Infrastructure Environment, or any portion thereof, and any of our personnel or the personnel of our Affiliates or service providers with access to the Content under the license granted in section 2.B.3.1 (Your Responsibility for the Content and License Grant to Us), may be located in the United States or any other country in which we or our Affiliates or service providers maintain facilities.

2.B.8. Information Use and Disclosure by Us. With respect to the Hosted Services, we may access or disclose information about you, your Authorized Users, Account(s) and/or the content of your or your Authorized Users’ communications in order to (i) provide, operate, and improve the Hosted Services; (ii) comply with Applicable Laws or respond to lawful requests or legal process; or (iii) protect our rights or property and/or that of our customers, including the enforcement of our agreements or policies governing the use of the Hosted Services. For more information on our privacy practices read the privacy statement at <https://www.progress.com/legal/privacy-policy>.

2.B.9. Promotional and Trial Offers. We may offer trial or promotional subscriptions (“**Promotional Subscriptions**”) for Hosted Services other than the Hosted Services you have ordered from us or our Authorized Reseller. Unless otherwise specified, a Promotional Subscription will remain active only for as long as you maintain an active, paid subscription to the Hosted Services you have ordered from us or our Authorized Reseller and which formed the basis for your eligibility for the Promotional Subscription. We reserve the right at any time to modify or discontinue, temporarily or permanently, any Promotional Subscription and your access to the Hosted Services licensed under such Promotional Subscription with or without notice.

2.B.10. **Links to Third-Party Sites.** The Hosted Services may include links to third-party sites. We do not control such sites and are not responsible for the content of any linked site, any links contained in the linked site, or any changes or updates to such sites. We are not responsible for any form of transmission received from any linked site. You acknowledge and agree that we are not liable for any loss or damage which you may incur as a result of the availability of third-party vendor resources or external sites.

2.B.11. **Terms for Downloadable Software.** If the Hosted Services includes any Downloadable Software, then the license granted to you to the Hosted Services pursuant to this EULA includes the right to download, install and use the Downloadable Software only for the purpose of connecting to and using the Hosted Services. Your right to use the Downloadable Software applies only while you have an active subscription for the Hosted Services and will automatically terminate immediately following the termination of your subscription. You will destroy all copies of the Downloadable Software in your possession and will cause your Authorized Users to do the same. Upon our request, you will provide us with a written instrument signed by your authorized representative certifying your compliance with the destruction requirements set forth in this section 2.B.11.

2.B.12. **Termination.** In addition to any other termination rights we may have under this EULA, unless otherwise prohibited by law, and without prejudice to our other rights or remedies, we may terminate this EULA and the licenses to the Hosted Services granted to you hereunder immediately if: (i) we believe providing the Hosted Services could create a substantial economic or technical burden or material security risk for us or any of our Affiliates, or (ii) termination is required in order to comply with the law or requests of governmental entities.

3.2. Product Family License Grant and Restrictions.

3.2.1. **Product Family License Grant.** Subject to the terms and conditions contained in this EULA, including any applicable Annexes hereto and all Orders and License Addenda (as defined below), we grant to you a non-exclusive, non-transferable, limited, personal license (without the right to sublicense) to use the Product identified in the Order. We also grant you a non-exclusive, non-transferable, limited, personal license (without the right to sublicense) to use the Documentation. The license category and model applicable to the Product license granted to you will be identified in the Order and described in section 3.3 (Product Family License Categories and Models) or the applicable Annex referenced in section 4 (Product Specific Terms).

3.2.2. **Product Family License Restrictions.** The following license restrictions apply in addition to those set forth in section 1.2.4 (Restrictions):

3.2.2.1. **Internal Use; No Affiliate Use.** Your use of the Product and Documentation is limited to internal use within your company in support of your own internal business operations. The Product and Documentation may not be used by your Affiliates unless specifically authorized in the Order. Use will be in accordance with this EULA and any additional terms, if any, set out in any Order or additional agreement executed by us and you in connection with this EULA which specifically states the terms thereof will be in addition to or in lieu of any of the terms set out in this EULA (each a “**License Addendum**” and collectively, the “**License Addenda**”).

3.3. **Product Family License Categories and Models.** This section specifies license categories and models that may be applicable to one or more Products. Note that not all license models are available for all Products.

3.3.1. **License Categories.** Products are generally licensed as either (1) a General Purpose License or (2) a Limited Purpose License. Details about each license category are provided below. If a Product is licensed to you as an add-on to another Product, the add-on will follow the same license category as the main Product unless the Order specifically says otherwise. For example, if Product “B” is an add-on to Product “A”, and Product “A” has a General Purpose License, your license for Product “B” will also be a General Purpose License, unless stated differently in the Order.

3.3.1.1. **General Purpose License.** If your Order lists a Product with “General Purpose License,” you may use it for any production purpose, provided you comply with this EULA. You may also use the Product for Limited Purpose License uses specified in sections 3.3.1.2.1 through 3.3.1.2.4. All usage is subject to compliance with the terms outlined in the Order and this EULA, including adherence to the license model, any quantity limitations indicated in the Order, and all additional restrictions set forth herein. If this EULA applies to an Update that you received as part of active maintenance and support for a Product you previously licensed, and that license was identified as a production use license in the original

Order, then your license to the Product and the Update will be considered a General Purpose License subject to the terms of this section 3.3.1.1.

3.3.1.2. **Limited Purpose License.** If your Order lists a Product with a “Limited Purpose License,” you may only use it for specific purposes listed in the Order and explained below. All usage is subject to compliance with the terms outlined in the Order and this EULA, including adherence to the license model, any quantity limitations indicated in the Order, and all additional restrictions set forth herein. If this EULA applies to an Update that you received as part of active maintenance and support for a Product you previously licensed, and that license was for a specific purpose referenced in the original Order (e.g., disaster recovery, testing, development), your license for both the Product and the Update will be considered a Limited Purpose License under this section 3.3.1.2. If the specific usage listed in the original Order is not mentioned below, the usage limits for the Update will follow the last EULA you accepted that described those usage limits. All other terms and conditions in section 3 and the applicable Annexes referenced in section 4 will apply to the Update.

3.3.1.2.1. **Pre-Production/Staging License.** If a Product in the Order is marked as a Limited Purpose License with a “Pre-Production/Staging” description, you are allowed to use it only in a non-production setting that closely mirrors your production environment. This usage is specifically for final validation, so you can make sure the deployment process and application function correctly before going live. Products with this license cannot be used in a production environment.

3.3.1.2.2. **Quality Assurance/User Acceptance Testing/Testing License (or QA/UAT/Testing License).** If a Product in the Order is marked as a Limited Purpose License with a “QA”, “UAT”, or “Testing” description, you are allowed to use it only in a non-production setting for verifying, validating, and testing software functionality, integration, and performance. Products with this license cannot be used in a production environment.

3.3.1.2.3. **Disaster Recovery License.** If a Product in the Order is marked as a Limited Purpose License with a "Disaster Recovery" or "DR" description, you are allowed to use it only to recover applications if a system fails, crashes, or if the Product or database files become corrupted. This license can be transferred between Servers or CPUs with advance notice to us, provided that such transfers comply with the underlying license model. You do not need a Disaster Recovery License when permanently switching from a primary Server to a secondary Server, as long as the primary Server is disabled. However, you will need a Disaster Recovery License for any other temporary reassignment between the primary Server and another Server. Different Disaster Recovery options may be available for purchase, as listed in the Order and explained below. If no specific Disaster Recovery option is chosen in the Order, it automatically defaults to the Cold Standby option described below.

3.3.1.2.3.1. **Active-Passive (“Hot” Standby)/DR Hot Standby.** A Limited Purpose License for a Product labelled as “Active-Passive (‘Hot’ Standby)” or “DR Hot Standby” allows use on a secondary, non-production system running in parallel to the primary, production system, with real-time data transfer between both.

3.3.1.2.3.2. **DR Warm Standby.** A Limited Purpose License for a Product labelled as “DR Warm Standby” allows use on a secondary, non-production system that runs alongside the primary, production system, where data syncs only periodically or not at all.

3.3.1.2.3.3. **Disaster Recovery (“Cold Standby”).** A Limited Purpose License for a Product labelled as “Disaster Recovery” or “Cold Standby” allows use on a secondary, non-production system that remains off, except during primary, production system failures or for installation, upgrades, or configuration of the Product. If the primary, production system fails, the secondary system may be used in production for up to ninety (90) days (“**DR Deployment Period**”). Written notice of the DR Deployment Period’s start must be provided to us within five (5) business days.

3.3.1.2.4. **Developer License.** If a Product in the Order is marked as a Limited Purpose License with a “Developer License” or “Development Environment” description, you may use it only for internal application development and support. If the license covers only certain components of the Product, your rights apply solely to those specified parts.

3.3.1.2.5. **Application Specific License.** If a Product in the Order is marked as a Limited Purpose License with an “Application Specific License” description and listing a particular Application, or the Product is licensed from a third party with their Application, you may only use it with that Application. Use with other applications or products is not allowed. We provide no warranties or representations regarding third-party Applications and accept no liability or responsibility for them.

3.3.2. License Models.

3.3.2.1. **Named User/ License.** A Named User License authorizes you to designate a Named User to access and use the Product. You must be able to identify and count each Named User. A Named User License is a multi-server license in that it is not limited by Core, CPU or Server count. A Named User may not be designated concurrently on different computers or devices or shared by multiple users. A Named User does not have to be logged on to the Product

to be counted as a Named User. A Named User License designation may be transferred from one Named User to another provided that the original Named User no longer requires and is no longer permitted access to the Product. The foregoing transfer right will not affect the assignment prohibition set forth in section 1.17 (Assignment). All Named Users must comply with this EULA.

3.3.2.2. **Workstation License.** A Workstation License allows you to operate the Product on a single Workstation. Each Workstation using or accessing the Product must be licensed.

3.3.2.3. **Server.** A Server License allows you to install and operate the Product on only one Server and one Platform. Every Server running the Product, including, without limitation, Servers configured for production, disaster recovery, load balancing, clustering, development, testing, performance testing, UAT or reporting, requires its own Server License. You cannot transfer a Server License from one Server or Platform to another.

3.3.2.4. **Core License.** A Core License authorizes you to operate the Product on the number of Cores specified in the Order . Each Core on which the Product is utilized, including but not limited to Cores on Servers designated for production, disaster recovery, load balancing, clustering, development, testing, performance testing, user acceptance testing (UAT), or reporting, requires a valid Core License. This requirement applies to physical Cores on Servers, virtual Cores assigned to virtual machines and containers, as well as virtual Cores allocated within third-party cloud provider public or private cloud environments. At no time shall the aggregate number of licensed Cores in use exceed the quantity of Core Licenses granted .

3.3.2.5. **Running Instance License.** A Running Instance License authorizes you to install and operate the specified number of Running Instances of the Product as indicated in the Order. This license is not constrained by Core or CPU count. The total licensed quantity of Running Instances must be equal to or greater than the actual number of Product Running Instances installed and utilized across all environments, including but not limited to production, disaster recovery, load balancing, clustering, development, testing, performance testing, UAT and reporting.

3.3.2.6. **Site License.** A Site License authorizes you to install and use the Product in any Server at a single Site and on any device (wherein the device can be a Client Device, a Non-Human Operated Device or a Process) operated by Authorized Users who share the same principal place of business as the Site location, regardless of whether the Product is used in a virtualized and/or non-virtualized environment.

3.3.2.7. **Retired License Models.** If this EULA applies to an Update that you received as part of active maintenance and support for an On-Premise Product you previously licensed, and the license model for that license is not listed in this section 3.3.2 or the applicable Annex referenced in section 4, then, for the duration of the license term for that previously licensed On-Premise Product, the license model and associated definitions applicable to the Update will follow the last EULA you accepted that contained such legacy license model and associated definitions. All other terms and conditions in section 3 and the applicable Annexes referenced in section 4 will apply to the Update.

3.3.3. **Term and Subscription Licenses.** If the Order indicates that your license to the Product(s) is a term or subscription license, then unless otherwise stated in the Order, your license to the Products will not automatically renew, and the term of this EULA and your license to the Product(s) will conclude on the expiration date specified in the Order, subject to earlier termination in accordance with the terms of this EULA. Throughout the duration of the term or subscription license (as applicable), you are also required to adhere to the license terms of the designated license model for the Product (e.g., Core, Named User, etc.) as outlined in the Order. After the term or subscription period concludes (as applicable), the Product(s) may automatically deactivate or become nonfunctional. At the end of the term or subscription period (as applicable), all rights granted to you under the license for the Products will terminate, and you must comply with the provisions outlined in section 1.16.2 (Effect of Termination).

3.3.4. **Products Licensed Based on Environment Size or Hardware Capacity.** If a Product is licensed based on environment size, hardware, storage, or other capacity limits, your license quantity as specified in the Order relies on data you provide about usage and performance needs. Because capacities may change, you are responsible for monitoring usage, and if you reach designated limits, you may need to buy more Product licenses or components.

3.4. Additional Terms Applicable to Hosted Services

3.4.1. Rights and Licenses We Grant to You.

3.4.1.1. **Right to Use Hosted Service.** If you purchase a subscription to the Hosted Service (“**Subscription**”), then, subject to the terms of this EULA and the applicable Annex referenced in section 4, for as long as you maintain an active Subscription, we grant you a limited, non-transferable, revocable, royalty-free, non-exclusive right to, and to allow your Authorized User(s) to access and use the Hosted Service in accordance with the terms of this EULA, such Annex and the applicable Order for the Hosted Service.

3.4.1.2. **License and Ownership of Use Supplier Licensed Content.** If your Order includes Supplier Licensed Content with your Subscription, you receive a worldwide, non-exclusive, time-limited license to use the Supplier

Licensed Content pursuant to the Order, this EULA, the applicable Annex referenced in section 4 and the Documentation for the Hosted Service. All rights, title, and interest remain with us or our licensors, who may modify or enhance Supplier Licensed Content independently or at your request; any changes are owned exclusively by us or our licensors. Our licensors have the same rights and protections as described here in relation to any Supplier Licensed Content owned by them and are third-party beneficiaries. Unless stated otherwise in the EULA or other a mutually executed document between you and us, there are no other third-party beneficiaries. You do not gain Intellectual Property Rights from modifications to the Supplier Licensed Content and must not create derivative works or violate the terms set out in this EULA.

3.4.1.3. Hosted Service Usage Restrictions. In addition to all other usage limitations, restrictions and requirements set forth in this EULA and the applicable Annex referenced in section 4, the following will apply to the Hosted Service:

1. You must use the Hosted Service and Supplier Licensed Content only in accordance with the Documentation applicable to the Hosted Service and applicable laws and government regulations.
2. You must comply with the terms of service of Non-Supplier Applications with which you use the Hosted Service or Supplier Licensed Content.
3. You must refrain from framing or mirroring any part of the Hosted Service or Supplier Licensed Content, other than framing on your own intranets or otherwise for your internal business purposes or as permitted in the Documentation applicable to the Hosted Service.
4. You must follow all applicable laws when using the Hosted Service for the creation or hosting of external-facing websites, including any laws applicable to use of cookies or other tracking technologies on such websites.

3.4.2. Rights and Licenses You Grant to Us.

3.4.2.1. License to Host Your Data and Non-Supplier Applications. In addition to and without limiting the scope of the terms of section 2.B.3 of this EULA, you grant us a worldwide, royalty-free, fully paid, transferable, sublicensable, non-exclusive, limited-term license to use, copy, host, store, share, distribute, publicly display, sublicense, post, transmit or publish Your Data, any Non-Supplier Applications, and any program code created by or for you using the Hosted Service, but only to the extent necessary for us to provide the Hosted Service. We may use third-party contractors and service providers to exercise these rights on our behalf to provide the Hosted Service, and that any of our personnel or the personnel of such third parties with access to Your Data, Non-Supplier Applications, and/or any program code created by or for you using the Hosted Service, may be located in the United States or any other country in which we or third parties maintain facilities. You acknowledge that you do not have any rights against these third-party contractors or service providers regarding this Hosting Addendum or your use of the Hosted Service. You agree to abide by such third parties' acceptable use policies which are provided or otherwise noticed to you, and that you will have no rights against such third parties in connection with your use of the Hosted Services.

3.4.2.1.1. Limitations and Your Control Over Your Data. Except for the rights and licenses expressly granted to us in this Hosting Addendum, we do not obtain any rights, title, or interest in Your Data or any Non-Supplier Application or program code you supply under this Hosting Addendum. You choose Your Data to upload, input, transmit, create, store, generate, compile, derive or process with(in) the Hosted Service and the level of access to Your Data granted to us. Your control over granting access to Your Data includes, without limitation, determining the extent to which you enable any capabilities that allow us and the Hosted Service to read Digital Rights Management (DRM) protected documents to process them in the Hosted Service.

3.4.3. Trial Subscription to Hosted Service.

3.4.3.1. Grant. If you register and are approved for a free trial of the Hosted Service, you receive a personal, non-exclusive, non-transferable right to access and use the Hosted Service and related Software in object code form, subject to the limitations and conditions specified in section 1.2.6 (Limitations on Evaluation or Trial Licenses) ("**Trial Subscription**"). For purposes of this section 3.4.3, the term "**Software**" means: (i) any software we provide for trial use via the Hosted Service, (ii) any new products, updates, components, features or functionality related to that software; and (iii) any Documentation or other materials related to (i) and/or (ii).

3.4.3.2. Scope of Use. You may use the Software and Hosted Service during the Trial Term only for evaluation, demonstration, prototyping, testing, or proof of concept—for example, preparing tests, developing prototypes of compatible applications, or demonstrating those applications ("**Proof of Concept**"). Integration into end products or any commercial or production use is not permitted. Usage is allowed solely for Proof of Concept until the Trial Term ends, or the subscription is terminated earlier per these terms. We may limit usage parameters (such as users, cores, or storage) and decide whether to provide maintenance or support, with applicable limits, at our discretion.

3.4.3.3. **Trial Term.** Unless agreed otherwise in writing, the Trial Subscription lasts up to ninety (90) days from when you receive access credentials (“**Trial Term**”). If you buy a Hosted Service Subscription, the Trial Term ends when your paid Subscription starts. Once the Trial Term ends, your access will expire unless you purchase a Subscription. If the Trial is free, we may modify or end it at any time, with or without notice.

3.4.4. **Third-Party Products and Services.**

3.4.4.1. **Acquisition of Third-Party Products and Services.** We, as well as third parties, may offer access to third-party products or services, including Non-Supplier Applications and consulting services such as implementation support. Any purchase or use of these third-party products or services, along with any data exchange between you and the third-party supplier, is solely your responsibility and subject to the relationship established with that supplier. We do not provide warranties or endorsements for Non-Supplier Applications or other products or services offered by third-party suppliers—regardless of whether they are designated as “certified” or otherwise—except where explicitly stated in a written agreement executed or issued by us.

3.4.4.2. **Non-Supplier Applications and Your Data.** If you install or enable Non-Supplier Applications for use with the Hosted Service, you grant us permission to allow the provider of that Non-Supplier Application to access Your Data as required for the interoperation of that Non-Supplier Application with the Hosted Service. We are not responsible for any disclosure, modification or deletion of Your Data resulting from access by the Non-Supplier Application or the provider of such Non-Supplier Application.

3.4.4.3. **Integration with Non-Supplier Applications.** The Hosted Service may provide features designed to operate with Non-Supplier Applications. Utilizing these features may require you to obtain access to such Non-Supplier Applications from their respective providers and authorize us to access your account(s) and data within those applications. If the provider of a Non-Supplier Application ceases to make their application available for integration with the relevant Hosted Service features on terms that we, in our sole discretion, deem acceptable, we reserve the right to discontinue those Hosted Service features without any obligation to provide a refund, credit, or other compensation. Additionally, we do not warrant backward or forward compatibility between the Hosted Service and any Non-Supplier Application, nor do we assume liability for any loss of integration or data access relating to a Non-Supplier Application. The provisions contained in this section 3.4.4.3 prevail over any conflicting terms in this EULA, including but not limited to the provisions of section 2.B.4.1 (Changes to the Hosted Services).

3.4.5. **Processing Capacity Advisory and Fair Use of APIs.** In addition to the terms of section 3.3.4 (Products Licensed Based on Environment Size or Hardware Capacity), the following terms apply to a Hosted Service: We will not increase the size, and consequently the cost of your Hosted Service subscription due to increased capacity requirements without your prior written permission. We also expect fair use of the API calls, based on the size of your environment. If your use of our APIs is significantly above average for what we consider normal for the size of your subscribed Hosted Service environment we will write to you and you will have a choice of amending your use of the APIs and may choose to pay to use our professional services to provide advice, or you may increase the environment size, with a consequent increase in cost, such increase being notified to you and subject to your agreement.

3.4.6. **Removal of Supplier Licensed Content and Non-Supplier Applications.** If we are required by a third-party licensor to remove Supplier Licensed Content or receive information that Supplier Licensed Content provided to you may violate applicable law or third-party rights, we may notify you and, in such event, you will promptly remove such Supplier Licensed Content from your systems. If we receive information that a Non-Supplier Application hosted on the Hosted Service by you may violate applicable law or third-party rights, we may notify you and, in such event, you will promptly disable such Non-Supplier Application or modify the Non-Supplier Application to resolve the potential violation. If you do not take the required action in accordance with the above, we may disable the applicable Supplier Licensed Content, Hosted Service and/or Non-Supplier Application until the potential violation is resolved.

3.4.7. **Suspension of Hosted Service Non Payment and Acceleration of Unpaid Fees** If you owe us or our Authorized Reseller any amount under an Order, this EULA, any Annex to this EULA referenced in section 4, or any other agreement for our services, and that amount is thirty (30) days or more past due, we may, without limiting our other rights and remedies, make all your outstanding fees under those agreements immediately due and payable. We may also suspend our services to you, including the Hosted Service, until the overdue amounts are paid in full. Before suspending any services, we will provide you with at least 10 days’ written notice that your account is overdue. Despite anything stated elsewhere in this EULA, any notice provided by us according to this section 3.4.7 may be sent by email to your business or invoicing contact listed in the Order.

3.5. General Usage Limitations

3.5.1. **SAMPLE MATERIAL.**

3.5.1.1. **No Warranties or Maintenance and Support.** ANY TEMPLATES, SAMPLE CODE, DEMO CODE, SAMPLE APPLICATIONS, OR OTHER EXAMPLES INCLUDED IN THE PRODUCT AND IDENTIFIED AS SUCH IN THE DOCUMENTATION OR RELEASE NOTES SUPPLIED WITH THE PRODUCT (COLLECTIVELY, “**SAMPLE MATERIAL**”), ARE PROVIDED “AS IS” WITH ALL FAULTS AND NO WARRANTIES OF ANY KIND. WE DO NOT OFFER MAINTENANCE AND SUPPORT SERVICES FOR SAMPE MATERIAL INCLUDED IN THE PRODUCT. YOU ARE SOLELY RESPONSIBLE FOR ALL USE AND CONFIGURATION OF THE SAMPLE MATERIALS. WE DISCLAIM ALL WARRANTIES, EXPRESS, IMPLIED, OR ARISING BY CUSTOM OR TRADE USAGE, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, TITLE, SATISFACTORY QUALITY, NON-INTERFERENCE, OR ACCURACY. THE SAMPLE MATERIAL MAY NOT BE SUITABLE FOR PRODUCTION OR COMMERCIAL USE, MAY CONTAIN ERRORS AND IS NOT GUARANTEED TO OPERATE CORRECTLY OR COMPLETELY.

3.5.1.2. **Sample Materials License; Ownership.** The Sample Material may be made available to you in source code form. We hereby grant you a perpetual, worldwide, non-exclusive, non-transferable, non-sublicensable, royalty-free license to copy, modify, compile, and redistribute the Sample Material (in executable formats) as part of your applications, but not on a standalone basis. If you choose to redistribute the Sample Material pursuant to the foregoing, it will be classified as “Redistributables” and will be governed by all applicable terms outlined for Redistributables in section 1 of this EULA. Notwithstanding anything contrary in section 1.16 (Termination), you may continue redistributing the Sample Materials per this section after the termination of this EULA, provided the termination was not effected by us under section 1.16.1 (Termination for Breach). All ownership and intellectual property rights in the Sample Materials remain with us. We reserve the right to modify or create derivative works from the Sample Materials at our discretion, which may be similar to your modifications. Additionally, we may remove all or part of the Sample Materials from the Product or Updates. This license does not authorize the use of our trade names, trademarks, service marks, or product names. The license applies exclusively to the Sample Material; all other components of the Product are subject to the terms of the Order and the remaining provisions of this EULA.

3.5.2. **Optional Components in On-Premise Products.** **Optional Components in On-Premise Products.** On-Premise Products may include features or other components requiring separate licenses and license keys or control codes. You may use only the products or components for which you have a valid license key or control code.

3.5.3. **On-Premise Products Available via a Container Method.** If we offer a download option for an On-Premise Product in a container image then the On-Premise Product will be provided in a container image that may also contain third party product(s) as identified in the Special Notices accompanying the On-Premise Product, and subject to the additional licensing terms referenced in the Special Notices. Notwithstanding anything to the contrary in this EULA, we make no representations or warranties and assume no indemnification obligations regarding such third-party product(s), its/their operation or its/their security. User modifications to the version of the third-party product(s) provided by us in the container image, even if permitted under the applicable license referenced in the Special Notices, may result in errors or instability in performance of the On-Premise Product which are not covered by us under warranty or maintenance terms. You are responsible for obtaining, at your own expense, any required licenses from the supplier of the container technology to deploy the container image that contains the On-Premise Product and the above-referenced third-party products, and any such deployment of the On-Premise Product must comply with the terms and conditions of this EULA.

3.6. **Maintenance and Support.** In addition to section 1.8 (Maintenance), these terms apply: (i) annual maintenance and support purchased as per section 1.8.2 must cover all Product copies or licenses; and (ii) “Update” (see section 1.1.19) does not include any new products for which we generally charge a separate license fee.

3.7. **Additional Terms Relevant for Updates.** If this EULA applies to an Update to an On-Premise Product previously licensed to you and the license agreement you accepted at time of purchase of the On-Premise Product license contains terms substantially similar to section 2.A.2 of this EULA, then, in regards to section 2.A.2, the following applies: sections 1.2.5, 1.2.7 and 1.7 of this EULA, and the definitions of any defined terms referenced in those sections set forth in section 1.1 of this EULA, will be deemed to be incorporated into this section 3 and will constitute terms applicable to the Update pursuant to section 2.A.2(ii).

4. PRODUCT SPECIFIC TERMS

The Product-specific terms and conditions are set out in separate Annexes as follows:

MarkLogic Products:	Annex A
Progress Data Cloud:	Annex B
Corticon Products:	Annex C

Rev. TMPLT18MAY2026MLPDCCorticon15JUN2026

Rev. TMPLT18MAY2026MLPDCCorticon15JUN2026

ANNEX A

This Annex A (“Annex”) only applies if you have licensed a MarkLogic Product.

A.1. Telemetry. This section is supplemental to the terms set forth in section 1.13 (Data Collection and Personal Data). You acknowledge that the Product incorporates telemetric functionality which, when enabled, allows for the automatic transmission of anonymized usage data to us and/or our Affiliates for internal compliance verification purposes. These features are enabled by default and transmit non-personal usage statistics, such as the number and type of Cores, and operating environments (e.g., production, test, development) utilized to operate the Product. Additionally, the telemetry may collect information regarding the specific version of the Product and associated operating system(s) in use. No personally identifiable information will be collected through these features. By using the Product, you consent to the collection, use, and disclosure of such data for the purposes outlined herein and/or as detailed in our privacy policy available at <https://www.progress.com/legal/privacy-policy>.

A.2. MarkLogic Product Specific Terms

A.2.1. MarkLogic Product-Specific Rights/Rules. If an Order includes a MarkLogic Product listed below, the associated license rights and rules apply unless stated otherwise in the Order.

A.2.1.1. Progress® MarkLogic® FastTrack™ SDK is intended solely for development use, specifically to build or maintain applications or interfaces that access, extract, or analyze data stored in a separately licensed Progress® MarkLogic® Server product. Each production license of the Progress® MarkLogic® Server used with these applications or interfaces requires its own dedicated FastTrack™ SDK license. Deploying such applications or interfaces also necessitates purchasing the appropriate Progress® MarkLogic® FastTrack™ license(s) as outlined in section A.2.1.2. You must keep active licenses for both the Progress® MarkLogic® FastTrack™ SDK (per this section A.2.1.1) and the Progress® MarkLogic® FastTrack™ product (per section A.2.1.2) as long as these applications or interfaces are in use. Even if your Order includes the Progress® MarkLogic® FastTrack™ SDK as part of a group of MarkLogic Products designated for use in production, the SDK license remains strictly limited to development purposes unless your Order explicitly references section A.2.1.1 and clearly modifies these restrictions.

A.2.1.2. Progress® MarkLogic® FastTrack™. To deploy applications or interfaces developed and maintained with the Progress® MarkLogic® FastTrack™ SDK product, you will need to purchase a license to the Progress® MarkLogic® FastTrack™ product. Additionally, a distinct license for the Progress® MarkLogic® FastTrack™ product must be obtained for each separately licensed Progress® MarkLogic® Server product with which these applications or interfaces will be utilized. The license category (as described in section 3.3.1) and the number of Cores specified in each Progress® MarkLogic® FastTrack™ product license must correspond to the license category and number of licensed Cores in the associated Progress® MarkLogic® Server product license.

A.2.1.3. Progress® MarkLogic® FastTrack™ Pilot is intended solely for development, testing and evaluation of applications or interfaces that access, extract, or analyze data stored in a separately licensed Progress® MarkLogic® Server product. You will need a separate Progress® MarkLogic® FastTrack™ Pilot license for each Progress® MarkLogic® Server product license used in production if you wish to deploy, solely for trial or experimentation, the applications or interfaces built with Progress® MarkLogic® FastTrack™ Pilot. Use of Progress® MarkLogic® FastTrack™ Pilot is restricted to evaluation, trial, and experimental use, is limited to one twelve (12) month subscription period, and cannot be renewed. If you want to deploy your applications or interfaces in production, you must obtain licenses for both Progress® MarkLogic® FastTrack™ SDK and Progress® MarkLogic® FastTrack™ for every licensed Progress® MarkLogic® Server product where deployment occurs, following sections A.2.1.1 and A.2.1.2. Even if your Order includes Progress® MarkLogic® FastTrack™ Pilot as part of a group of MarkLogic Products designated for use in production, Progress® MarkLogic® FastTrack™ Pilot remains strictly limited to development, testing and evaluation purposes unless your Order explicitly references section A.2.1.3 and clearly modifies these restrictions.

A.2.1.4. Progress® Corticon® for MarkLogic® – Rules Editor (“Rules Editor Product”) is intended solely for development use, specifically to create, edit and package rules to operate within the Progress® MarkLogic® Server product environment separately licensed to you. Each production license of the Progress® MarkLogic® Server used with these rules requires its own dedicated Rules Editor Product license. Deploying such rules also necessitates purchasing the appropriate Progress® Corticon.js® for MarkLogic® license(s) as outlined in section A.2.1.5. You must keep active licenses for both the Rules Editor Product (per this section A.2.1.4) and the Progress® Corticon.js® for MarkLogic® product (per section A.2.1.5) as long as these applications or interfaces are in use. Even if your Order includes the Rules Editor Product as part of a group of MarkLogic Products designated for use in production, the Rules Editor Product license remains strictly

limited to development purposes unless your Order explicitly references section A.2.1.4 and clearly modifies these restrictions.

A.2.1.5. **Progress® Corticon.js® for MarkLogic®.** To deploy rules you create with the Rules Editor Product, you will need to purchase. To deploy rules you create with the Rules Editor Product in a production environment, you will need to purchase a license to the Progress® Corticon.js® for MarkLogic® product. Additionally, a distinct license for the Progress® Corticon.js® for MarkLogic® product must be obtained for each separately licensed Progress® MarkLogic® Server product with which these rules will be utilized. The license category (as described in section 3.3.1) and the number of Cores specified in each Progress® Corticon.js® for MarkLogic® product license must correspond to the license category and number of licensed Cores in the associated Progress® MarkLogic® Server product license.

A.2.1.6. **Any MarkLogic Product Options, Add-Ons or Tools licensed on a Core basis.** Each MarkLogic Product option, add-on, or tool licensed to you on a Core basis must be licensed for a quantity of Cores that matches the Core count for the licensed MarkLogic Server environment such option, add-on or tool is operating in.

ANNEX B

This Annex B (“Annex”) only applies if you have licensed Progress® Data CloudSM service. The Progress® Data CloudSM managed service is a Hosted Service and may be referred to as such in this Annex.

B.1. Products Deployed in the Progress® Data CloudSM. To deploy any Eligible Product in the Hosted Service, you must either own or purchase a license for it. “Eligible Product” means a MarkLogic Product that we make generally available for deployment in the Progress® Data CloudSM. Unless a separate written agreement exists between you and us, your use of the Eligible Product(s) in the Hosted Service will be governed by: (a) the terms of the EULA, (b) the relevant Annex for each Eligible Product and (c) this Annex. If there is a conflict among these terms, precedence goes first to this Annex, then the product-specific Annex, and finally the EULA. Unless we specifically agree otherwise, an Eligible Product must be licensed to you as a subscription; MarkLogic Products licensed as perpetual, enterprise, indefinite, or under other models do not qualify as Eligible Products. The Hosted Service’s license category—General Purpose or Limited Purpose—matches the license category of the Eligible Product you deploy in the Hosted Service.

B.2. Portability.

B.2.1. Should either party decide not to renew the Hosted Service as specified in the applicable Order, or if the Hosted Service is otherwise terminated pursuant to the EULA, this Annex or the applicable Order for the Hosted Service, or if you elect to relocate the Eligible Product to an alternative environment at any time, you may continue to use the Eligible Product in another environment for the remainder of the license term subject to the terms of the EULA accepted by you at the time of download of the Eligible Product and the Order applicable to your purchase of the Eligible Product license. Notwithstanding the foregoing, if you already owned a license to the Eligible Product prior to subscribing to the Hosted Service and that license was governed by a separate software license agreement between you and us, then, following the termination of the Hosted Service or your election to move to another environment, your use of the Eligible Product will revert back to being governed by such separate software license agreement and the terms of the Order applicable to your purchase of the Eligible Product license.

B.2.2. If you move the Eligible Product to a new environment (see section B.2.1), you must give us at least thirty (30) days’ written notice, unless your Hosted Service Order specifies a different notice period. Cancelling the Hosted Service early does not relieve you from paying all remaining fees outlined in the Order for the rest of the term, according to its payment terms.

B.3. Support. Throughout the Hosted Service period, support and maintenance will follow the support terms outlined at [Progress Data Cloud Support Terms](#), which are included here by reference (“**Hosted Service Support Terms**”). If the Eligible Product's Order cites different support terms, those terms will be replaced and overridden by the Hosted Service Support Terms for as long as the Hosted Service is active.

B.4. Your Account Authentication. You acknowledge that the Hosted Service utilizes OAuth 2 / OpenID Connect to delegate authentication to your identity provider (IDP) services, and we do not control such services. Where an IDP offers multi-factor authentication services or similar authentication methods to protect logins, you are strongly encouraged to enable such services or methods. Additionally, we reserve the right to update the Hosted Service from time to time to align with evolving security industry standards, including, without limitation, making your use of multi-factor authentication or other authentication methods, a pre-requisite to gaining access to the Hosted Service.

B.5. Your Data Backup. We will follow our standard archival procedures for storage of that portion of Your Data that constitutes configuration data that is stored in the Hosted Services in accordance with section 2.B.5.1. Notwithstanding anything to the contrary in the EULA (including section 2.B.5.1) or this Annex, you are solely responsible for implementing archival and backup procedures for all other portions of Your Data. Please consult the Documentation provided with the Hosted Service for information on available backup methods.

B.6. Your Data Portability. Upon termination of your subscription to the Hosted Service, we will retain Your Data for thirty (30) days immediately following the termination of the Hosted Service during which we will, upon receipt of your written request, provide you with the necessary access to allow you to export Your Data utilizing the then-available export and backup capabilities included in the Eligible Product and/or Hosted Service. After that thirty (30) day period, we will have no obligation to maintain or provide Your Data and will thereafter delete or destroy all copies of Your Data in our possession/control as provided in the Documentation for the Hosted Service, unless such deletion or destruction is legally prohibited.

ANNEX C

This Annex C (“Annex”) only applies if you have licensed a Corticon Product.

C.1. Definitions. Any defined term used in this Annex but not defined herein will have the meaning ascribed to it in section 1 (General Terms and Conditions), section 2.A (Terms for On-Premise Products) or section 3 (Product Family Specific Terms) of the EULA.

C.1.1. **“Decision Service”** means a service or agent that answers a business question for other services. Without limiting the scope of the foregoing definition, a Decision Service includes any self-contained, callable service or agent with a view of all the information, conditions and actions that need to be considered to make a business decision.

C.1.2. **“Serverless Function”** means a programmatic function created for a single purpose hosted and maintained on infrastructure supplied by a cloud computing company. A Serverless Function is short-lived and stateless, and its instance lifespan is limited to the duration to perform a single execution of the function.

C.2. Application License. Notwithstanding anything to the contrary in section 3.3.1.2.5 (Application Specific License) of the EULA, an Application License grants you the right to install and use the Corticon Product on any device (wherein the device can be a Client Device, a Non-Human Operated Device or a Process) and the Corticon Product, and all component parts thereof, may only be used by you for the purpose of modelling, analysing, testing and saving business rules as Decision Services in relation to determined Application(s).

C.3. Usage Limitations for Corticon Products.

C.3.1. **Progress® Corticon® Studio.** If the Corticon Product identified in the Order is a Progress® Corticon® Studio product, then the Corticon Product, and all component parts thereof (including, without limitation, the server component of the Corticon Product) may only be used by you for the purpose of modelling, analysing, testing and saving business rules as Decision Services in a development or testing environment. You must purchase a license for a Progress® Corticon® Server product or one of the Progress® Corticon.js® products made available by us for deployment, as applicable, to deploy, integrate, execute or otherwise make any production use of any Decision Services created with a Progress® Corticon® Studio product.

C.3.2. **Progress® Corticon® Studio for OpenEdge® or Progress® Corticon® Server for OpenEdge®.** If the Corticon Product identified in the Order is Progress® Corticon® Studio for OpenEdge® or Progress® Corticon® Server for OpenEdge®, then, in addition to the product specific usage limitation set forth in section C.3.1 above, your right to use the applicable Corticon Product is subject to the following additional limitation: development of Decision Services for use exclusively by a Progress® OpenEdge® application (if the Corticon Product is Progress® Corticon® Studio for OpenEdge®) or invocation of Decision services exclusively from a Progress® OpenEdge® application (if the Corticon Product is Progress® Corticon® Server for OpenEdge®).
