

Course title

Get Started with MOVEit Automation

Duration

Equivalent to 2 hours of learning

Audience

MOVEit Automation users and administrators.

Description

Get Started with MOVEit Automation provides a high level overview of creating automated tasks with MOVEit Automation. Students will learn how to navigate the MOVEit Dashboard, set up and manage Hosts and create and manage Tasks.

The materials that you receive with this course include a Course Guide and an Exercise Guide, which includes hands-on exercises and solutions.

This course is also available online with a subscription to the [Progress Education Community](#).

Version compatibility

This course is compatible with MOVEit Automation 2021.
