

Course title

Get Started with Corticon.js Rules

Duration

Equivalent to 2 hours of learning.

Audience

Rules Architects, Rules Modelers, DevOps Engineers, and Rules Integrators.

Description

The *Get Started with Corticon.js Rules* introduces Progress Corticon.js Studio to new members of a rule modeling team and demonstrates the steps to build, test, and deploy rules.

The materials that you receive from this course include a Course Guide and an Exercise Guide which include hands-on exercises and solutions.

This course is also available online with a subscription to the [Progress Education Community](#).

Version compatibility

This course is compatible with Corticon.js 1.3.

What you will learn

After taking this course, you should be able to:

- Identify the key features of Corticon.js.
 - Build a rule.
 - Test a rule.
 - Deploy a rule as a serverless function.
-
