

Course title

Get Started with Pro2

Duration

Equivalent to 2 hours of learning

Audience

OpenEdge Database Administrator

Description

The Get Started with Pro2 course introduces Pro2 and its architecture. You will learn how to install and configure Pro2 on your machine. You will also learn about the Pro2 Enterprise View and how you can configure the Enterprise View to manage multiple Pro2 instances.

The materials that you receive with this course include a Course Guide.

This course is also available online with a subscription to the [Progress Education Community](#).

Version compatibility

This course is compatible with OpenEdge Pro2 6.2.
