

# Discover why businesses are choosing Progress Semaphore

Get insights into the distinct advantages that Progress® Semaphore™ offers and why organizations are choosing it as their preferred metadata management solution.

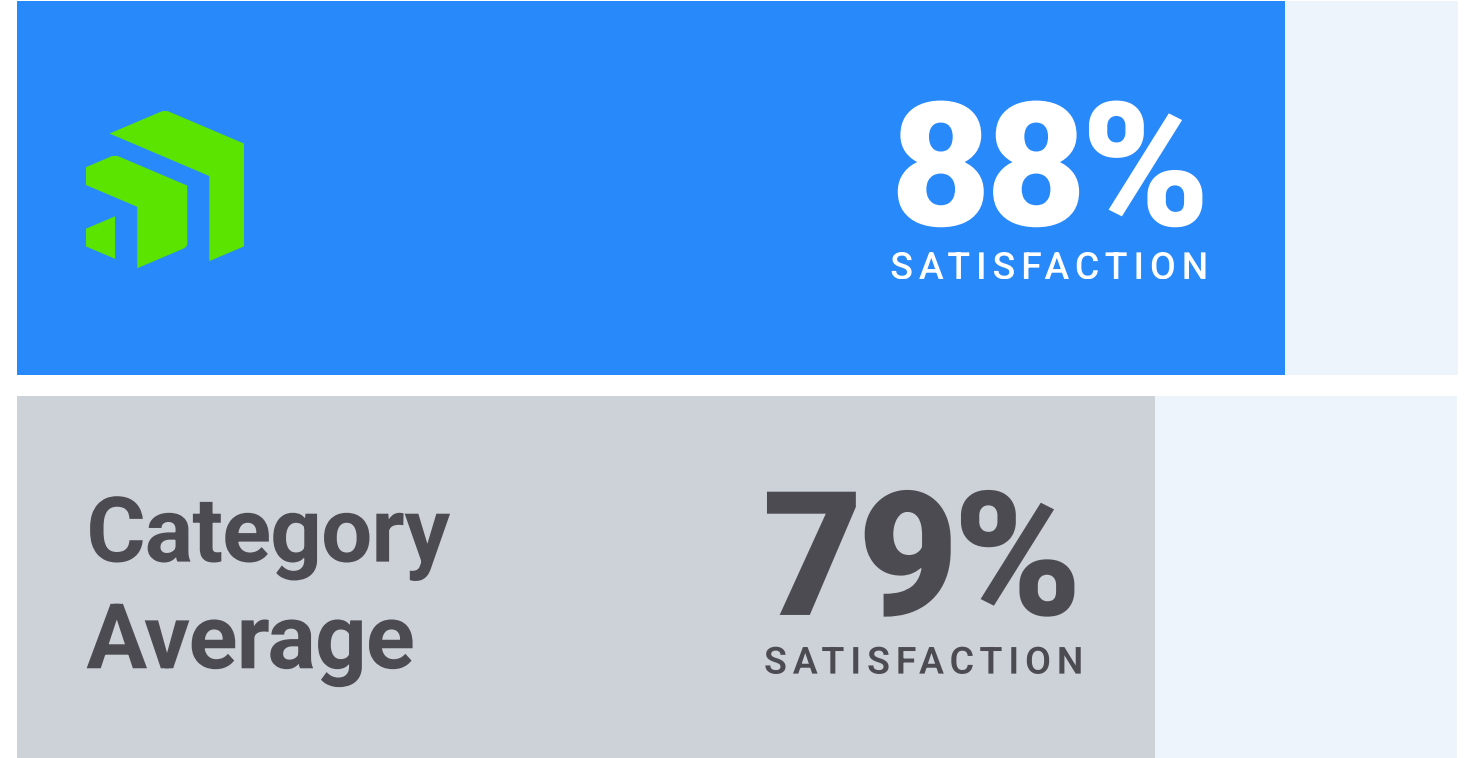

## Business Value Created

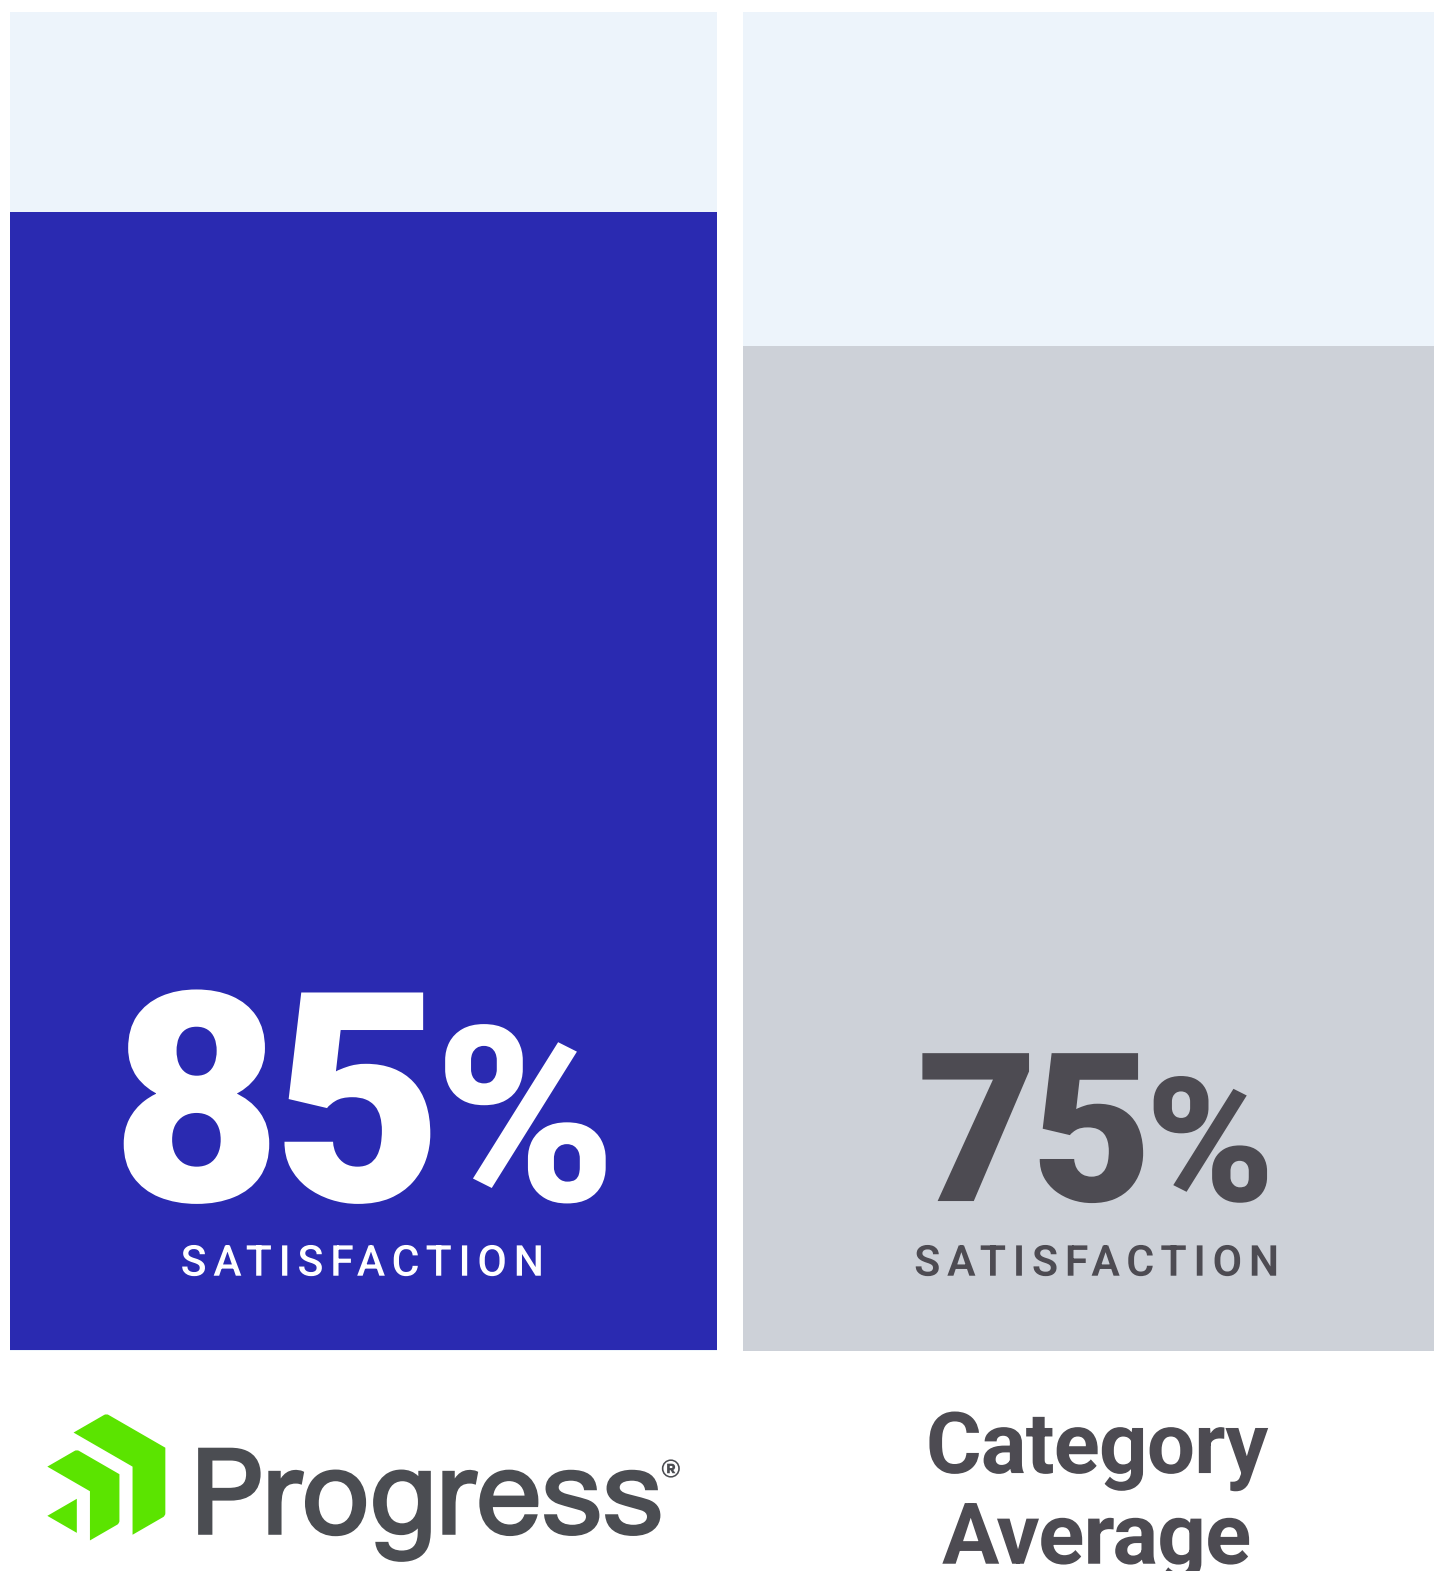

## Automation of Metadata Creation

Asset metadata can be created using rules.

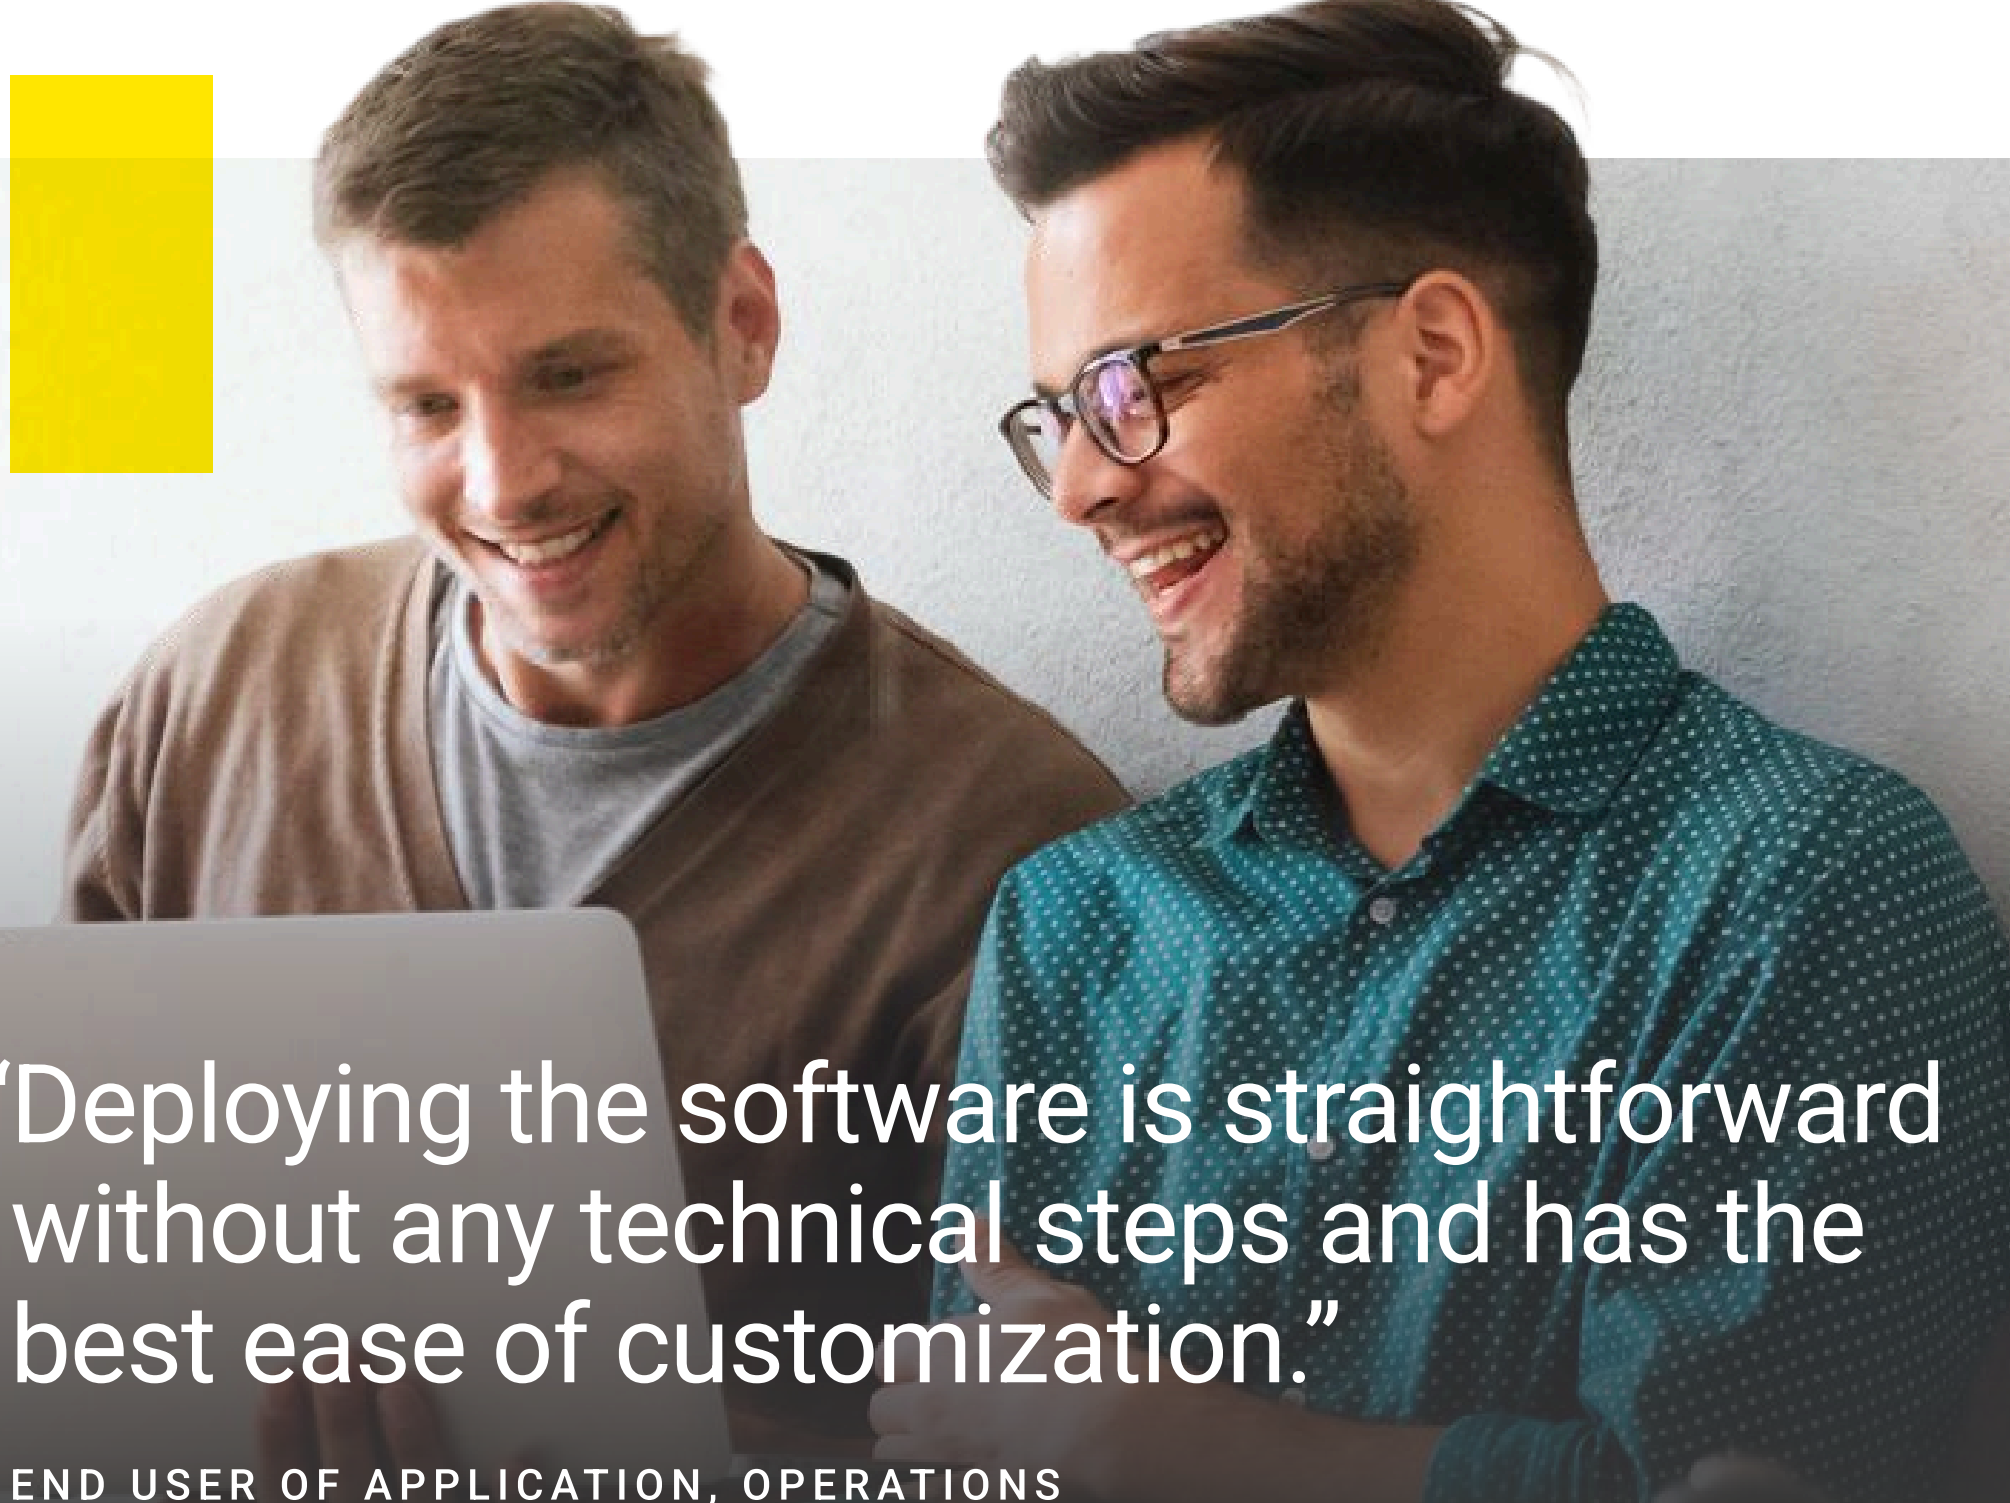

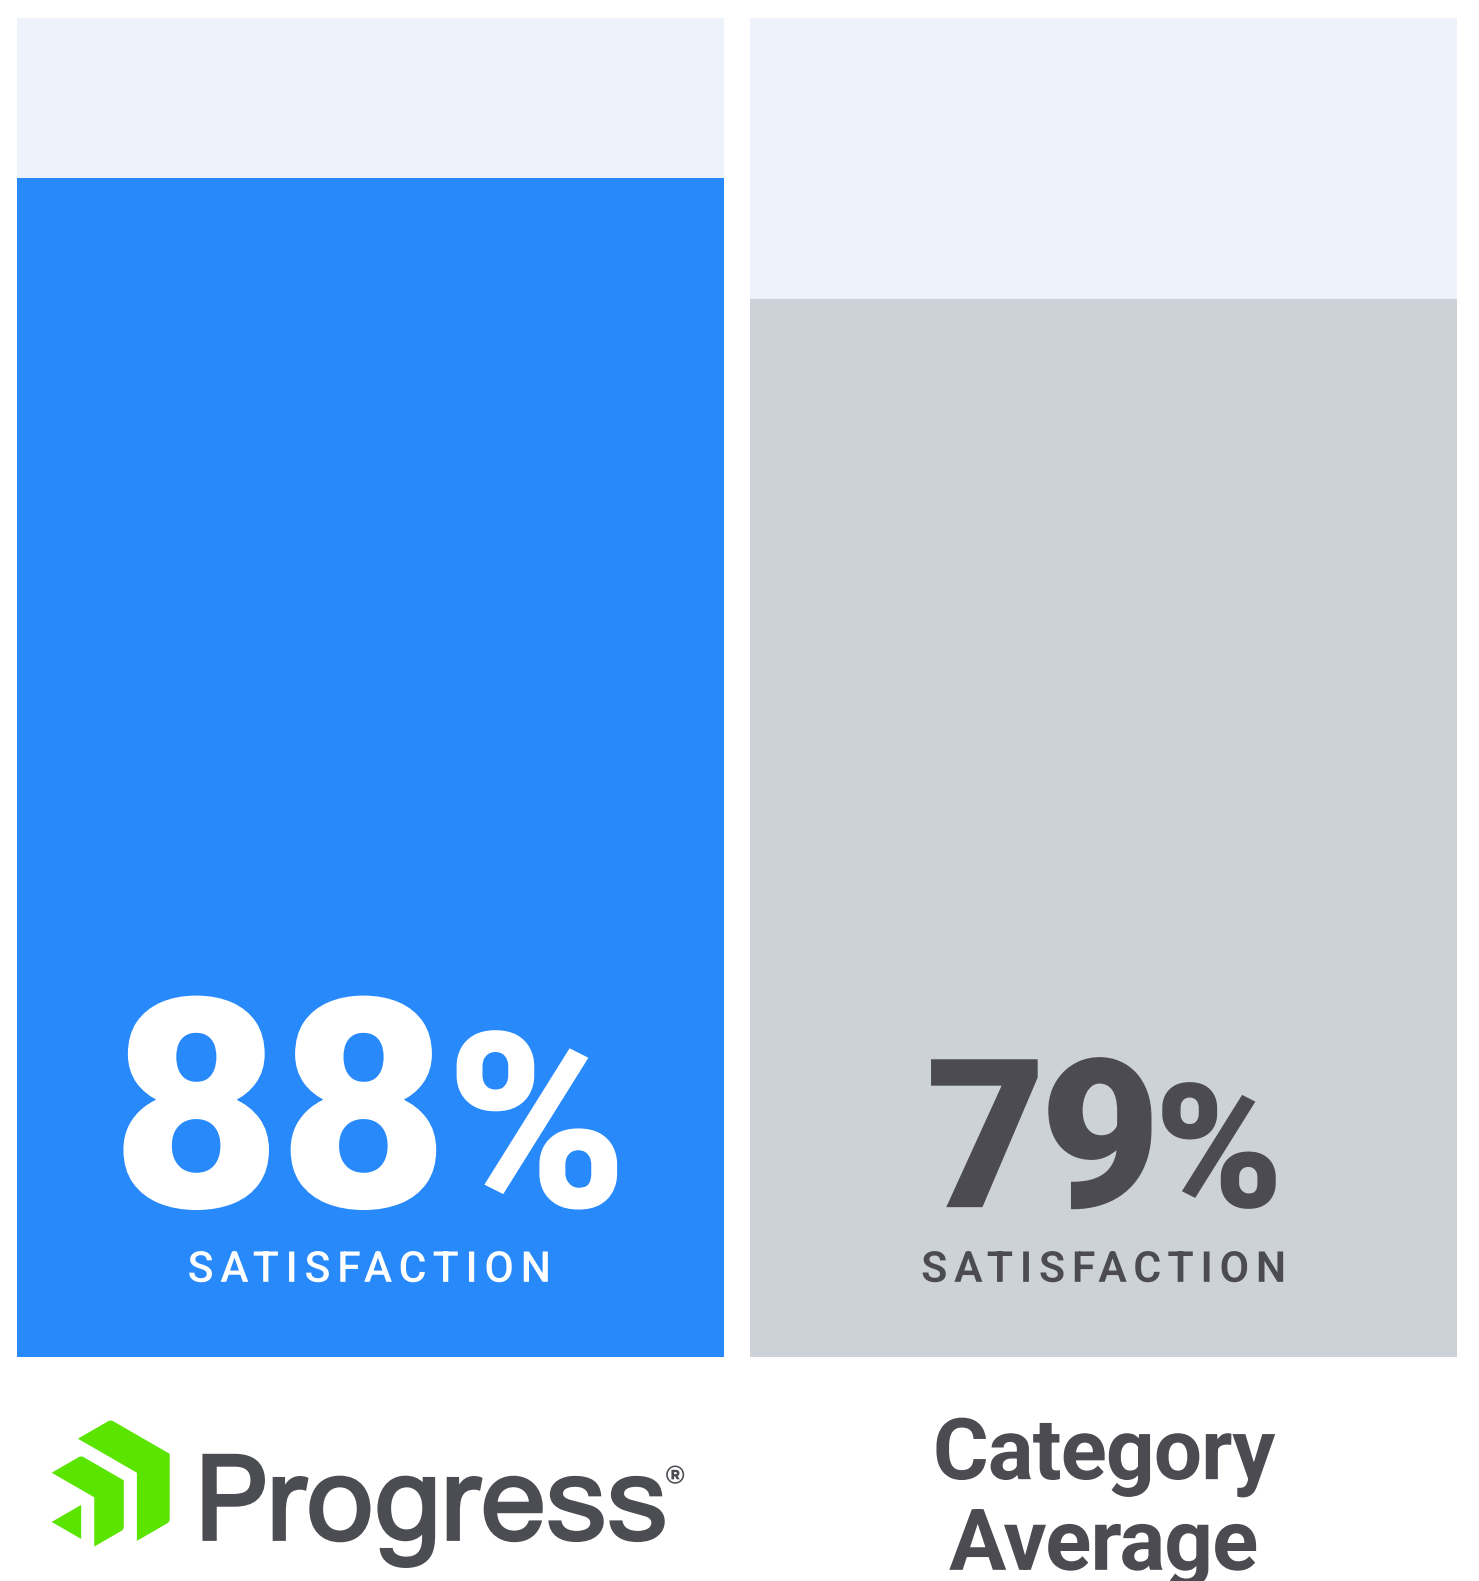

## Product Strategy and Rate of Improvement

Progress® Semaphore™ has a winning formula: a strategic product roadmap and swift improvements, ensuring top-tier customer satisfaction and ongoing enhancement.

## Usability and Intuitiveness

Intuitive design reduces the need for training. End-user learning curves cost the organization money. Pay attention to your end users' technical ability to determine how important UX is in your purchase.

“Deploying the software is straightforward without any technical steps and has the best ease of customization.”
